Saila Doll

Award winning

- Maplelea Girl Saila Qilavvvaq – January 2012
- The doll has just been named one of the Top Ten Toys of 2012 in the Canadian Toy Testing Council's 'Children's Choice Awards'. According to the Council's report, it was 'the quality of (her) beautiful clothing' that won toy testers over.
- With that in mind, the award might truly belong to a handful of Nunavut's skilled artisans who hand make some of the more traditional items in Saila's wardrobe.
- Her miniature white and blue amauti is made at Arviat's Kiluk Ltd. while a woollen crocheted 'Pang' hat is made at The Uqqurmiut Centre for Arts & Crafts in Pangnirtung.
